ORDERING KEY

In the part number, "xx" means an option code must be inserted.

Acrylic stock color (COLxx) ← part number

option code → White (WH)

Example: COLxx + WH = COLWH
Acrylic stock color in White

NOTES:

- Where applicable, utilize cut-out templates packed with unit for deck cutouts.
- 16 x 16 minimum access required at pump/blower location(s).

Each Serenity air bath is equipped with an air heating system to raise the temperature of the air entering the bath. This air temperature will be lower than the bathing temperature of the water, but will help reduce rapid decrease in water temperature. In addition, the air coming from the air jets will feel cool against the skin. This system does not heat the water.
