

LED Surface Mount Disk Lights

Optical Design Provides a Wide Beam Angle With Low Glare

An easy-to-install downlight solution for new construction as well as retrofit applications, Topaz's surface mount LED fixtures are offered in standard 4" or 6" sizes. Perfect for residential or commercial applications with exceptional color rendering of 90 CRI, and available in 2700K, 3000K and 4000K color temperatures. With a life rating of at least 50,000 hours, they greatly minimize the cost of ownership through reduced maintenance and lower utility costs. Fixtures are ENERGY STAR certified, rated for wet location and support California Title 24 compliance.

FEATURES

- Up to 85% energy savings compared to incandescent lamps
- Energy-Star Certified
- Advanced optics and thermal construction
- Dimmable down to 5% of total light output
- Surface mount to most 4" J-boxes
- Driver-on-board technology eliminates an external power supply
- Suitable for damp or wet locations
- RoHS compliant and mercury free

APPLICATIONS

- Ceiling or surface mount applications, designed to install with most 4" J-Boxes.
- Suitable for use in closets, compliant with NFPA 70, NEC section 410.16 (A)(3) and 410.16 (C)(5)
